

# BALLIA JAIPURIA SCHOOL

## CLASS-WISE BOOK LIST

SESSION 2026-2027 | CLASSES I-XII

### NCERT / CBSE-ALIGNED CORE TEXTBOOKS

English-medium class-wise list covering Primary, Middle, Secondary and Senior Secondary stages.

Policy note: For Classes I-VIII, the school uses current NCERT/SCERT textbooks and carefully selected supplementary resources where required. For Classes IX-XII, NCERT textbooks prescribed in the applicable CBSE curriculum are followed. Only genuine, latest-edition books should be procured.

Final language options, skill subjects, optional subjects and stream combinations remain subject to the school timetable, faculty availability and the applicable CBSE curriculum.

# PRIMARY STAGE | CLASSES I-V

Core NCERT titles for foundational and preparatory learning. Art, health, physical education, computer/AI and activity resources are implemented as per the school programme.

## Class I

|                     |                                                                            |
|---------------------|----------------------------------------------------------------------------|
| English             | Mridang - Grade 1                                                          |
| Hindi               | Sarangi - Grade 1                                                          |
| Mathematics         | Joyful Mathematics - Grade 1                                               |
| Integrated Learning | Teacher-guided environmental awareness, art, health and activity resources |

## Class II

|                     |                                                                            |
|---------------------|----------------------------------------------------------------------------|
| English             | Mridang - Grade 2                                                          |
| Hindi               | Sarangi - Grade 2                                                          |
| Mathematics         | Joyful Mathematics - Grade 2                                               |
| Integrated Learning | Teacher-guided environmental awareness, art, health and activity resources |

## Class III

|                     |                                                    |
|---------------------|----------------------------------------------------|
| English             | Santoor - Grade 3                                  |
| Hindi               | Veena - Grade 3                                    |
| Mathematics         | Maths Mela - Grade 3                               |
| The World Around Us | Our Wondrous World - Grade 3                       |
| Co-scholastic       | NCERT art, health and physical education resources |

## Class IV

|                     |                                                    |
|---------------------|----------------------------------------------------|
| English             | Santoor - Grade 4                                  |
| Hindi               | Veena - Grade 4                                    |
| Mathematics         | Maths Mela - Grade 4                               |
| The World Around Us | Our Wondrous World - Grade 4                       |
| Co-scholastic       | NCERT art, health and physical education resources |

## Class V

|                     |                                                    |
|---------------------|----------------------------------------------------|
| English             | Santoor - Grade 5                                  |
| Hindi               | Veena - Grade 5                                    |
| Mathematics         | Maths Mela - Grade 5                               |
| The World Around Us | Our Wondrous World - Grade 5                       |
| Co-scholastic       | NCERT art, health and physical education resources |

# MIDDLE STAGE | CLASSES VI-VIII

NCF-SE 2023 aligned NCERT series. Language-3, vocational education and co-scholastic resources are offered according to the school's approved scheme.

## Class VI

|                      |                                     |
|----------------------|-------------------------------------|
| English              | Poorvi                              |
| Hindi                | Malhar                              |
| Sanskrit             | Deepakam                            |
| Mathematics          | Ganita Prakash                      |
| Science              | Curiosity                           |
| Social Science       | Exploring Society: India and Beyond |
| Vocational Education | Kaushal Bodh                        |
| Art / PE             | Kriti and Khel Yatra resources      |

## Class VII

|                      |                                               |
|----------------------|-----------------------------------------------|
| English              | Poorvi - Grade 7                              |
| Hindi                | Malhar - Grade 7                              |
| Sanskrit             | Deepakam - Grade 7                            |
| Mathematics          | Ganita Prakash - Grade 7                      |
| Science              | Curiosity - Grade 7                           |
| Social Science       | Exploring Society: India and Beyond - Grade 7 |
| Vocational Education | Kaushal Bodh                                  |
| Art / PE             | Kriti and Khel Yatra resources                |

## Class VIII

|                      |                                               |
|----------------------|-----------------------------------------------|
| English              | Poorvi - Grade 8                              |
| Hindi                | Malhar - Grade 8                              |
| Sanskrit             | Deepakam - Grade 8                            |
| Mathematics          | Ganita Prakash - Grade 8                      |

| Optional Language | Sharda - Sanskrit, where offered                                     |
| Skill Subject     | Artificial Intelligence (417) - latest CBSE Skill Education material |

## Class X

|                   |                                                                      |
|-------------------|----------------------------------------------------------------------|
| English           | First Flight; Footprints Without Feet                                |
| Hindi Course B    | Sparsh - Part II; Sanchayan - Part II                                |
| Mathematics       | Mathematics - Class X                                                |
| Science           | Science - Class X                                                    |
| History           | India and the Contemporary World - II                                |
| Geography         | Contemporary India - II                                              |
| Political Science | Democratic Politics - II                                             |
| Economics         | Understanding Economic Development                                   |
| Skill Subject     | Artificial Intelligence (417) - latest CBSE Skill Education material |

Important: The exact Hindi/Sanskrit language course and skill subject book will be confirmed by the school before procurement. Do not purchase optional books without the final school circular.

# SENIOR SECONDARY | SCIENCE STREAMS

Applicable to PCM, PCB and PCMB combinations. Students should purchase only the subjects allotted in the final admission/subject-combination confirmation.

## Class XI - Science

|                    |                                                        |
|--------------------|--------------------------------------------------------|
| English Core       | Hornbill; Snapshots                                    |
| Physics            | Physics Part I; Physics Part II                        |
| Chemistry          | Chemistry Part I; Chemistry Part II                    |
| Mathematics        | Mathematics - Class XI                                 |
| Biology            | Biology - Class XI                                     |
| Computer Science   | Computer Science - Class XI, where offered             |
| Physical Education | Latest CBSE curriculum and prescribed support material |

## Class XII - Science

|                    |                                                        |
|--------------------|--------------------------------------------------------|
| English Core       | Flamingo; Vistas                                       |
| Physics            | Physics Part I; Physics Part II                        |
| Chemistry          | Chemistry Part I; Chemistry Part II                    |
| Mathematics        | Mathematics Part I; Mathematics Part II                |
| Biology            | Biology - Class XII                                    |
| Computer Science   | Computer Science - Class XII, where offered            |
| Physical Education | Latest CBSE curriculum and prescribed support material |

Stream combinations: PCM = Physics, Chemistry, Mathematics; PCB = Physics, Chemistry, Biology; PCMB = Physics, Chemistry, Mathematics and Biology. English Core is compulsory; the fifth/sixth subject is subject to the approved school combination.

# SENIOR SECONDARY | COMMERCE

The fifth and any sixth elective may include Applied Mathematics, Informatics Practices or Physical Education, subject to school approval.

## Class XI - Commerce

|                       |                                                               |
|-----------------------|---------------------------------------------------------------|
| English Core          | Hornbill; Snapshots                                           |
| Accountancy           | Financial Accounting Part I; Financial Accounting Part II     |
| Business Studies      | Business Studies - Class XI                                   |
| Economics             | Statistics for Economics; Indian Economic Development         |
| Applied Mathematics   | CBSE Applied Mathematics text/support material, where offered |
| Informatics Practices | Informatics Practices - Class XI, where offered               |
| Physical Education    | Latest CBSE curriculum and prescribed support material        |

## Class XII - Commerce

|                       |                                                               |
|-----------------------|---------------------------------------------------------------|
| English Core          | Flamingo; Vistas                                              |
| Accountancy           | Accountancy Part I; Accountancy Part II                       |
| Business Studies      | Business Studies Part I; Business Studies Part II             |
| Economics             | Introductory Macroeconomics; Indian Economic Development      |
| Applied Mathematics   | CBSE Applied Mathematics text/support material, where offered |
| Informatics Practices | Informatics Practices - Class XII, where offered              |
| Physical Education    | Latest CBSE curriculum and prescribed support material        |

# SENIOR SECONDARY | HUMANITIES

Humanities combinations may include History, Political Science, Geography, Economics, Psychology, Sociology or Physical Education according to the final school offering.

## Class XI - Humanities

|                    |                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------|
| English Core       | Hornbill; Snapshots                                                                                  |
| History            | Themes in World History                                                                              |
| Political Science  | Indian Constitution at Work; Political Theory                                                        |
| Geography          | Fundamentals of Physical Geography; India - Physical Environment; Practical Work in Geography Part I |
| Economics          | Statistics for Economics; Indian Economic Development, where offered                                 |
| Psychology         | Psychology - Class XI, where offered                                                                 |
| Physical Education | Latest CBSE curriculum and prescribed support material                                               |

## Class XII - Humanities

|                        |                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------|
| English Core           | Flamingo; Vistas                                                                                 |
| History                | Themes in Indian History Parts I, II and III                                                     |
| Political Science      | Contemporary World Politics; Politics in India Since Independence                                |
| Geography              | Fundamentals of Human Geography; India - People and Economy; Practical Work in Geography Part II |
| Economics              | Introductory Macroeconomics; Indian Economic Development, where offered                          |
| Psychology / Sociology | Latest NCERT textbook(s) for the subject(s) offered                                              |
| Physical Education     | Latest CBSE curriculum and prescribed support material                                           |

Procurement advisory: Buy only genuine NCERT books of the latest edition and only after the school confirms the student's class, language course, stream and optional subjects.
